## **Letter of Agreement** between Community Development Alliance (CDA) and Data You Can Use (DYCU) // April 2026 - March 2027

### Purpose

The purpose of this engagement is for Data You Can Use (DYCU) to provide on-going support to CDA in analysis for homebuyer counseling data, facilitate and support CDA's use of data, and act as a strategic thought partner to CDA as it grows and refines organizational strategy.

### Comprehensive Data Partnership

Full-service access to DYCU services as part of a data team includes:

- Measurement and data visualization tools such as dashboards, maps, and reports aligned with CDA priorities
- Strategic recommendations for integrating data into planning and decisions
- Participation in joint presentations, meetings, and events with stakeholders
- Quarterly planning and review to adapt data strategy over time
- Multiple projects annually with rapid response capacity
- Consultation and advanced analytics for data infrastructure development

### Scope and Objectives

The following projects are the primary areas of focus for this engagement:

- Maintain and build upon ongoing collection and analysis of homebuyer counseling data for grant reporting and strategic use at the discretion of CDA
- Mature displacement risk research into usable tools for internal and external CDA use
- Assist with data requests from CDA partners on behalf of CDA
- Development and maintenance of data visualization tools such as dashboards, maps, and reports aligned with CDA priorities
- Participation in joint presentations, meetings, and events with stakeholders
- Strategic recommendations for integrating data into planning and decisions
- Continued development and maintenance of the MKE Indicators interactive tool

## Project Cost for April 2026 – March 2027: \$90,000

Payment schedule: One quarter of the total cost (\$22,500) to be invoiced at the end of each fiscal quarter for the length of engagement period.
